How to look up proposed programs and courses in the Leepfrog system:

To find programs go to: <https://nextcatalog.uni.edu/programadmin/>

For example, you can type *MINOR and that will bring you to a list of all the MINOR programs, scroll down to the INTLBUS-MINOR; after selection you will see the program and any associated documents that were uploaded with it (i.e. justifications, consults, etc.).

For the Graduate Program, please type MBA* and follow the same procedure.

To find courses go to: <https://nextcatalog.uni.edu/courseadmin/>

To find all the courses click on “workflow” then scroll down until you see “Faculty Senate.” More detailed instructions can be found at: [Navigation in the Leepfrog Curriculum System](#)

If you need assistance or additional information please call Cheryl Nedrow (3-2518) for undergraduate proposal questions and Karen Cunningham (3-2748) for questions on graduate proposals.
