Notes

1. The labels will be replaced by conceptual labels, plus one sentence descriptors, to be determined at a future time, as will the final graphic presentation. The GERC has been discussing naming with marketing professionals, and feels naming the course clusters at this time is premature.

2. The certificate is not required. Students may instead opt to take additional courses from Tier 2 and/or Tier 3. Certificate courses are from multiple departments.

3. Course 4 may be part of a four-course certificate, or may be an elective from Tier 2 or Tier 3. Course must meet a minimum of 2 SLOs.
