

## **October 22, 2015 Memo – COE Curriculum, Interdisciplinary Curriculum to UNI Faculty Senate**

Dear Senators,

Here are the curriculum proposals put forth by the College of Education and the curriculum put forth for interdisciplinary programs for the Catalog Year 2016-2017 which have been reviewed by the University Curriculum Committee (UCC) and/or the Graduate College Curriculum Committee (GCCC) and the Graduate Council.

We are requesting the Faculty Senate to review these proposals.

To facilitate your review of these proposal, you are receiving the following documents:

1. Two documents that serve as summaries: one for the COE undergraduate curriculum proposals and the second summarizing the CHAS graduate curriculum. In these summaries, we have included the curriculum summaries for the interdisciplinary programs as well.
2. Minutes from the UCC meeting (9-30-2015, 10-7-15 and 10-14-15) and the GCCC (Graduate College Curriculum Committee) meeting (9-30-15, 10-7-15, 10-14-15) in which these curriculum proposals were discussed.

You will find the actual curriculum proposals yourselves in the Leapfrog program. See below for instructions on how to look at them.

Sincerely,

Kavita Dhanwada,  
Chair, UCC

Barbara Cutter,  
Chair, GCCC
