

September 27, 2022 Memo to UNI Faculty Senate

Dear Senators,

Provided for your consideration are curriculum proposals put forth by the College of Education for the Catalog Year 2023-2024, which have been reviewed by the University Curriculum Committee (UCC), the Graduate College Curriculum Committee (GCCC), and the Graduate Council.

We are requesting Faculty Senate review of these proposals.

To facilitate your review of the proposal, you are receiving the following documents:

1. One document that serves as a summary for both Undergraduate and Graduate curriculum.
2. UCC and GCCC detailed list of program and course proposals.
3. Minutes from the UCC meeting (9-07-22) as well as the GCCC meeting (9-16-22) in which the proposals were discussed.

Proposals requiring further review will be discussed by the GCCC at its final clean-up meeting scheduled for October 7, 2022.

If you wish to review these proposals in detail, you may access the actual curriculum proposals in the Leepfrog system. Instructions are provided below.

Sincerely,

Patrick Pease,
Chair, UCC

Wendy Hoofnagle,
Chair, GCCC

How to look up proposed programs and courses in the Leepfrog system:

To find programs go to: <https://nextcatalog.uni.edu/programadmin/>

For example, you can type *MINOR and that will bring you to a list of all the MINOR programs, scroll down to the INTLBUS-MINOR; after selection you will see the program and any associated documents that were uploaded with it (i.e. justifications, consults, etc.).

For the Graduate Program, please type MBA* and follow the same procedure.

To find courses go to: <https://nextcatalog.uni.edu/courseadmin/>

To find all the courses click on “workflow” then scroll down until you see “Faculty Senate.”
