

October 15, 2021 Memo to UNI Faculty Senate

Dear Senators,

Provided for your consideration are the previously tabled curriculum proposals for the Catalog Year 2022-2023 that have been reviewed by the University Curriculum Committee (UCC) and Graduate College Curriculum Committee (GCCC). We are requesting that Faculty Senate review these proposals.

To facilitate your review of the proposals, you are receiving the following documents:

1. One document that serves as a summary for both undergraduate and graduate curriculum.
2. UCC and GCCC detailed list of program and course proposals.
3. Minutes from the UCC meeting (10-13-21) and GCCC meeting (10-12-21) in which these curriculum proposals were discussed.

If you wish to review these in detail, you may access the actual curriculum proposals in the Leepfrog system. Instructions are provided below.

Sincerely,

Patrick Pease,
Chair, UCC

Gabriela Olivares-Cuhat,
Chair, GCCC

How to look up proposed programs and courses in the Leepfrog system:

To find programs go to: <https://nextcatalog.uni.edu/programadmin/>

For example, you can type *MINOR and that will bring you to a list of all the MINOR programs, scroll down to the INTLBUS-MINOR; after selection you will see the program and any associated documents that were uploaded with it (i.e. justifications, consults, etc.).

For the Graduate Program, please type MBA* and follow the same procedure.

To find courses go to: <https://nextcatalog.uni.edu/courseadmin/>

To find all the courses click on “workflow” then scroll down until you see “Faculty Senate.”
