BENEFITS

Eric Lange, Head
Department of Theatre
University of Northern Iowa

August 29, 2011

Dear Eric Lange,

After being employed at UNI since the Fall of 1981, I plan to retire from my position as Professor in the Department of Theatre. My retirement will become effective after the completion of Spring Semester, 2012. I appreciate the strengths of the theatre curriculum and production program, and look forward to watching (although from a distance) the continued educational and artistic growth which has been a hallmark of the work of the department.

With this notice early in the Fall semester, I hope that the Department of Theatre will have adequate time and resources for personnel planning. To support the ambitious and forward-looking plans of this department, it would be wonderful if by May we will have had a successful search for a new faculty hire in the area of Design and Production/Costume. Please let me know if I can be of help with the search process.

Please note that I am applying for Faculty Emeritus Status, and have included the required paperwork with this letter. Meanwhile, for this coming year of AY 2011-12, I look forward to the continued camaraderie of my colleagues at UNI. After this year, I know I will particularly miss the collaborative spirit of our faculty, staff and students in the Department of Theatre.

Sincerely,

Carol Colburn, Professor
Department of Theatre
