

ROSTER OF THE FACULTY

2016-2017

SPRING 2017 SEMESTER

This Faculty Roster includes those individuals who are faculty of the University of Northern Iowa, according to the definition found in the Constitution of the Faculty of the University of Northern Iowa as amended February 7, 1983 (Article I, 1.1, 1.2), and as determined by appointment forms.

The spreadsheet provides the total number of voting faculty, non-voting faculty and the combined total of departmental faculty. On the spreadsheet, titles of administrators appear in parentheses after their name. Faculty appointments in more than one department have their second departmental affiliation listed after their name. They are counted only once. Faculty members with an asterisk (*) next to their names are being counted in another department.

In compliance with Section 4.1 of the Constitution of the Faculty of the University of Northern Iowa, "Each college office and each departmental office shall, for a period of one week after the roster's issuance, prominently display the roster in a place readily accessible to the faculty. In addition, a copy of the current semester's roster shall be made available to any faculty member upon written request to the secretary of the faculty."

Please note that those individuals who believe that their university responsibilities justify their being members of the voting or of the non-voting faculty may apply, in writing, to the Faculty Senate for consideration (1.4). Those who question the accuracy or the propriety of the listing may challenge it by addressing the University Faculty Senate (4.2). These challenges must be made within 15 class days after the distribution of the roster.

Please direct queries to the University Faculty Chair: [Timothy Kidd, Physics, 273-2380](#)
