Dear Melissa,

Please consider this my official letter supporting Mark Bauman for Emeritus Professor.

Mark retired a year ago after a long career at UNI. Mark left an indelible mark on thousands of students, his colleagues, and the university. Despite having the reputation as being one of the department's most demanding teachers, he was a student favorite. Furthermore, Mark was a fantastic researcher who was always willing to mentor junior colleagues. Mark was the consummate professional.

Mark has already been missed, but I hope his connection with UNI continues long into the future.

Joe Ugrin
