Summary of College of Humanities, Arts and Sciences/Technology (Technology) (Special addition due to required submission to BOR)

- 1) DT-DT Doctor of Industrial Technology (Termination)

Justification: This decision is being made based on a number of elements: The enrollment has been dropping over the last few years (prior to the 2018 request for suspended enrollment). Second is the item of limited resources. All faculty are at capacity with undergraduate and masters level teaching loads along with the reduction in faculty numbers within the department.
