

Summary of COE Undergraduate Curriculum Proposals – 2017-2018 Curriculum

On October 5, 2016, the University Curriculum Committee (UCC) reviewed the College of Education Curriculum Packet. The packet was approved electronically pending any changes noted in the 10-5-2016 UCC minutes by the UCC on October 17, 2016.

Summary of Changes for COE Curriculum

- 1) **Approval Consent Agenda Items** – approval of courses editorial in nature by consent
 - Special Education Courses
 - SPED 4146 *Designing C&I for Elementary Students with Mild/Moderate Disabilities (K-8)* (prerequisite change)
 - Curriculum & Instruction Courses
 - ELEMECML 4121 *Infant and Toddler Curriculum and Guidance* (co-requisite change)
 - ELEMECML 4141 *Integrated Activities in Elementary School STEM* (title change)
 - ELEMECML 4142 *Sustainability Applications in Elem STEM* (title change, description change)
 - School of Kinesiology, Allied Health and Human Services Courses
 - AT 3011 *Clinical Skills in Athletic Training* (description change)
 - AT 3040 *Orthopedic Injury Assessment I* (prerequisite change)
 - AT 3050 *Orthopedic Injury Assessment II* (prerequisite change)
 - AT 3052 *Injury Assessment Clinical Skills II* (prerequisite change)
 - AT 3082 *Therapeutic Interventions Clinical Skills II* (prerequisite change)
 - AT 3110 *Psychological Considerations for Athletic Injuries and Rehabilitation* (prerequisite change)
 - AT 4140 *Current Trends in Athletic Training* (prerequisite change)

- 2) **Department of Teaching**
 - a) 1 added course
 - TEACHING 3129 *Secondary and Special-Area Classroom Management* (added course)

This course was proposed as a result of the last accreditation report. It is an elective course for secondary teaching students to learn more about classroom management in the classroom.

- 3) **Department of Educational Leadership and Postsecondary Education**
 - a) 1 added course
 - POSTSEC 3000 *Exploring the Student Affairs Profession* (added course)

This new course has been offered experimentally three times; department wants to offer course as an elective for undergraduates who may be considering the area of Student Affairs and the graduate program in Postsecondary Education.

- 4) **Department of Special Education**

- a) 1 dropped program
 - TVIS-MINOR *Teacher of Students with Visual Impairments (TVIS) Minor* (dropped program)
Have lost faculty teaching in this program; no students in program currently
 - b) 1 edited course
 - SPED 4183 *Designing C&I for Students with Intellectual Disabilities (K-12)* (edited course)
- 5) Department of Curriculum and Instruction**
- a) 1 edited program
 - MIDDLEV-BA *Middle Level Education Dual Major – Teaching* (edited major)
 - b) 1 edited course
 - ELEMECML 4150 *Elementary Curriculum* (edited course)
- 6) School of Kinesiology, Allied Health and Human Services**
- a) 5 edited programs
 - AT-BA *Athletic Training Major* (edited major)
 - PETCH-BA *Physical Education-Teaching* (edited major)
 - GLHLTHDIS-CERT *Certificate in Global Health and Humanitarian Assistance* (edited program)
 - HLTHEDTCH-MINOR *Health Education Minor-Teaching* (edited minor)
 - HLTHPRO-MINOR *Health Promotion Minor* (edited minor)
 - b) 2 added courses
 - HPE 3220 *Human Diseases for School Health Educators* (added course)
 - HPE 3230 *Drug Prevention Education for School Health Educators* (added course)

Both of these new courses will now be required for Health Education and PE Teaching minors and developed for students who are interested in pursuing careers as school health educators. Both courses have previously been offered experimentally and have had good enrollments.
 - c) 5 edited courses
 - AT 3000 *Athletic Training Clinical Integration* (edited course)
 - HPE 1101 *Introduction to Community Health* (edited course)
 - HPE 3693 *Internship Seminar* (edited course)
 - HPE 4167 *Cultural Competency for the Helping Professions* (edited course)
 - PEMES 2031 *Teaching Physical Education with Technology* (edited course)
