

1. *Current status: Subcommittee Assigned: Further data examination results*

Current Deviation: Clinical Faculty/Professor of Practice

Subcommittee: Atul Mitra, Robin Dada, Becky Hawbaker & Chris Martin

CLEAN VERSION

Section 2.4 Term (1-4) and Renewable Term Appointments

Subdivision 2.4a Titles and Ranks for Term (1-4) and Renewable Term Faculty

Paragraph 2.4a.1 Instructional Faculty

Instructional faculty hold the rank of Assistant Professor of Instruction, Associate Professor of Instruction, or Professor of Instruction. Instructional faculty contribute predominantly to the teaching missions of the University and may also do some service. They are distinguished individuals whose disciplinary education, expertise, and experience qualifies them to teach, advise students, contribute to the development of curricula, or engage in other pedagogical activities related to their expertise.

Paragraph 2.4a.2 Clinical Faculty

Normally, Clinical faculty hold the rank of Clinical Assistant Professor, Clinical Associate Professor, or Clinical Professor. Clinical faculty contribute to the service, and/or teaching, and/or outreach missions of the University. The clinical faculty designation is used for positions that require clinical teaching and/or clinical supervision and/or clinical direction.

Paragraph 2.4a.3 Practitioner Faculty

Practitioner Faculty hold the rank of Assistant Professor of Practice, Associate Professor of Practice, and Professor of Practice. These are highly experienced individuals in a relevant field of professional practice who can provide effective, practice-oriented instruction and contribute to the teaching, service, and outreach missions of the University.

SUGGESTED EDITS
